Summary

Aspiring Web Developer | JavaScript | React | Node.js

I'm a passionate Web Developer with a strong foundation in front-end and back-end technologies, dedicated to building dynamic, responsive, and user-friendly websites and applications.

My journey so far has given me hands-on experience in solving real-world problems and blending creativity with functionality. During my internship with @CodeAlpha, I enhanced my ability to design efficient solutions, strengthen problem-solving skills, and deliver projects that align with user needs and industry standards.

Key Skills

Front-End: HTML, CSS, JavaScript, React.js
Back-End: Node.js, Express.js, PHP
Database: MongoDB, MySQL
Version Control: Git, GitHub

I am always eager to embrace new challenges, learn emerging technologies, and collaborate with forward-thinking teams to create impactful digital solutions.

I'm actively seeking opportunities where I can contribute, grow, and make a difference. If you're looking for a dedicated, creative, and growth-oriented developer, let's connect!
